BENEFITS OF A STRONG CORE

- ✓ Improves posture & spinal alignment
- ✓ Reduces lower back pain
- ✓ Increases stability & balance
- ✓ Enhances athletic performance
- ✓ Helps prevent injuries
- ✓ Supports everyday movements

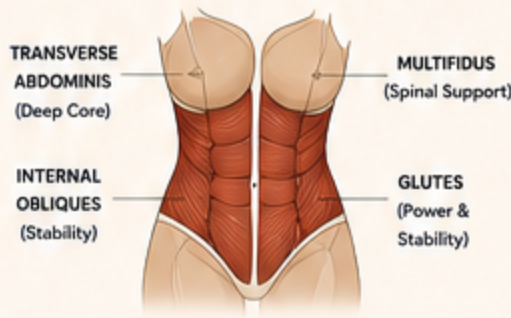

TIPS FOR SUCCESS

- ✓ Focus on control, not speed.
- ✓ Breathe: Exhale on effort, inhale on return.
- ✓ Keep a neutral spine.
- ✓ Engage your core in every exercise.
- ✓ Be consistent & patient.

CORE MUSCLES WORK TOGETHER

SAMPLE WEEKLY PLAN

MONDAY	Core Stability
TUESDAY	Lower Body
WEDNESDAY	Rest / Mobility
THURSDAY	Core Stability
