

BIKRAM YOGA

THE ORIGINAL HOT YOGA – 26 POSTURES & 2 BREATHING EXERCISES

Bikram Yoga is a series of 26 postures and 2 breathing exercises practiced in a heated room (40.6°C / 105°F with 40% humidity). The sequence is the same every time to allow the body to progressively stretch, detoxify and heal.

THE 26 POSES

1 STANDING DEEP BREATHING

2 breaths
Inhale and exhale deeply through the nose.
Benefits:
Improves lung capacity, calms the mind.

2 HALF MOON POSE
