LILI HUMAN · THE HUMAN NOTE

My Bedtime Routine

Finish a step, then move its picture from ‘To do’ to ‘Done.’

		To do	Done
	**Use the toilet**		
	**Wash your face**		
	**Brush and floss**		
	**Put on pyjamas**		
	**Read a bedtime story**		
	**Cuddles and goodnight**		

Let your child move each token—you can cheer them on.

All done! Time to snuggle up. Goodnight!

Your magnet tokens

Two ways to make them. Cut out the six tokens below, then either:

- Print on cardstock, and stick a small magnet to the back of each token.
- Print on magnet sheet (inkjet-safe), and cut them out. No gluing needed.

Cuddles and goodnight

Stick it, move it, goodnight.
