

DAILY 10-MINUTE DESK RESET

Strong Body. Soft Heart. Powerful Life.

8 simple moves • 10 minutes • move better • feel better

1 Neck Turns + Shoulder Rolls 1 minute

INSTRUCTIONS

Sit or stand tall. Slowly turn your head to the right, then to the left. After 5 reps per side, roll your shoulders up, back, and down.

REPS

5 turns each per side; 10 shoulder rolls backward.

CUES

Keep your chin level. Move slowly. Do not force the range. Keep your traps relaxed over your hips. Think "long neck, relaxed shoulders."

MODIFICATION

If turning the neck feels uncomfortable, make the movement smaller.

2 Seated Thoracic Rotations 1 minute

INSTRUCTIONS

Sit tall in your chair; feet on the floor, your feet flat on the floor. Cross your arms over your chest. Rotate your upper back to the right, pause, then rotate to the left.

REPS

5 reps per side.

CUES

Rotate from your upper back, not your lower back. Keep hips facing forward. Move slowly. Exhale as you rotate. Imagine wringing out stiffness from the spine.

MODIFICATION

Place one hand on the opposite knee for support and rotate less deeply.

3 Desk Shoulder Opener 1 minute

INSTRUCTIONS

Stand facing your desk. Place both hands on the desk. Step your feet back. Push your hips back and gently lower your chest toward the desk. Return to standing and repeat.

REPS

10 slow reps.

CUES

Keep arms long. Keep knees soft. Reach your chest forward the floor without forcing it. Do not shrug your shoulders. Think "melting away tight tension."

MODIFICATION

Bend your knees more or place your hands higher on a wall.

4 Chair Squats 2 minutes

INSTRUCTIONS

Stand in front of a chair. Place feet about shoulder-width apart. Push hips back. Bend knees and lightly tap the chair with your glutes. Stand back up tall.

REPS

2 sets of 10.

CUES

Keep chest lifted. Push knees in the same direction as toes. Keep weight through mid-foot and heels. Do not collapse into the chair. Stand tall and squeeze glutes at the top.

MODIFICATION

Use a higher chair or reduce depth. if you have the stairs.

PROGRESSION Pause for 2 seconds just above the chair before standing.

5 Standing Side Leg Raises 1 minute

INSTRUCTIONS

Stand tall holding your desk or chair. Hold one leg straight. Lift the other leg out to the side. Lift slow, squeezing the glute. Lower slowly. Repeat.

REPS

10 reps per side.

CUES

Keep toes facing forward. Do not lean your torso. Most from the hip, not the lower back. Keep the standing leg slightly bent. Think "lift with the side glute."

MODIFICATION

PROGRESSION Pause for 1 second at the top of each rep.

6 Desk Incline Plank 1 minute

INSTRUCTIONS

Place hands on your desk. Step feet back until your body forms a straight line. Brace your core. Hold the position.

REPS

2 rounds of 20-30 seconds.

CUES

Push the desk away. Keep shoulders over wrists. Squeeze glutes lightly. Keep core tight as you hold a steady, strong, steady plank.

MODIFICATION

Use a wall instead of a desk.

PROGRESSION Use a lower surface, such as a sturdy chair or bench.

7 Wrist Rocks 1 minute

INSTRUCTIONS

Place your hands on your desk with your fingers facing forward. Gently shift your body weight as body weight shifts back and forth. Move slowly through the wrist.

REPS

10 reps.

CUES

Spread fingers wide. Keep elbows slightly bent. Move within a comfortable range. Breathe evenly.

MODIFICATION

Do this exercise as wall to reduce pressure.

8 Calf Raises + Ankle Rolls 1 minute

INSTRUCTIONS

Stand behind your chair. Hold the chair lightly. Rise onto the balls of your feet. Lower with control. Then roll one foot and circle the ankle.

REPS

15 calf raises; 5 ankle circles each direction per side.

CUES

Rise slowly up. Do not roll onto the outside of the foot. Control the lowering. Keep posture tall. Use the chair for balance, not support.

MODIFICATION

Do calf raises seated if standing feels tiring. Feet, ankles, or knees.

Breathe. Move slowly. Stay consistent.
